

The Red River VW Club (RRVWC) is a family-friendly Volkswagen car club based in Fargo, ND. Our membership grows each year and now includes folks from six states and two provinces. Members' cars range in age from brand-new to nearly 75-years-old!

Our car show, *Volkswagens in the Valley*, is held in Fargo every July. It brings in 75-100+ vehicles (and their owners!) from all over the region. July 29, 2023 will mark our 18<sup>th</sup> annual show. Each year, this show raises a significant amount of money for local charities. We also host multiple meet-ups, car cruises, and a winter holiday party each year.

As a non-profit, the RRVWC relies on donations from area businesses to help fund our regional events while also keeping dues affordable for our members. Please consider helping us fund logistical items including but not limited to insurance, location and equipment rentals, food, and marketing/mailings. Product donations (e.g. coupons, trial products, food items, or gift cards) are also needed: these are distributed to members during shows and other events or sold at our silent auction to raise money for charity.

We appreciate your interest in our club and hope you will consider donating! More details are provided to the right.
